### **Validation Commitment Policy**

Herbal Science Sdn. Bhd. is a manufacturer of herbal, nutritional and pharmaceutical products.

The management of Herbal Science Sdn. Bhd. is committed to:

1. Ensuring the quality of our products by complying with the requirements of Good Manufacturing Practices (GMP).
2. Conduct validation studies and equipment qualification where necessary to ensure process control is sufficient to produce a good quality product meeting its pre-determined specifications consistently.
3. Invest in necessary expenditure and resource to achieve and maintain the above state of control (or validated state) for both short term and long term applications.
4. Comply with all other known regulatory standards, requirements as set by local authorities and laws of the governing bodies of Malaysia.

The Chief Executive Officer (CEO) and senior management staffs fully endorse the above policy and guidelines.
